Dear Larry:

We have some bits of information concerning the executive level pay bill passed by the last Congress and understand that it was approved by the President, going into effect as of 1 July. Also it is my impression that the GS-18 grade was intended for consideration and inclusion in that bill. I can find nothing else about it over here.

Would you please hastily scribble what the new rates of pay are and any other features of the bill such as retirement, etc., that apply.

With kindest personal regards.

Sincerely,

  
Harvey E. Overesch
